

The Ragtime Goblin Man

Music: Harry Von Tilzer

Words: Andrew B Sterling

v1

A ragtime goblin man, he comes around
and softly hums a ragtime time tune.
I know he followed me,
he'll catch me sure, and then there'll be
a ragtime swoon

He's beside me, hide me, hide me
I can feel his breath,
Oh I'm scared to death,
He will take me, shake me, make me
Join his raggedy band

Oh, oh, where wil I go,
That goblin man,
that goblin man.

Chorus:

Look out for he goblin man
That ragtime goblin man
Look out for the book in his hand
That great big book in his hand.

There he is, there he is, there he is, there
see his eyes, see his eyes, see his eyes glare

Mister bug a boo. if he catches you,
He'll beat you, then he'll eat you,
Run, run just as fast as you can
From that ragtime goblin man.

Hide, hide, or he'll give you a ride
In his ragtime van

Look out, look out,
Just hear him shout
Look out , look out
For the rag, rag, rag, rag, time goblin man

v2

That ragtime goblin man was mild
what drove him wild? A ragtime tune.
On dark nights just look out.
He'll catch you if you sing about
a ragtime moon.

If he nabs you, grabs you, jabs you
You won't get away
Cause you'll have to stay
Then he'll bring you, sting you, fling you
To his raggedy band

See, he, wants to get me.
That goblin man,
that goblin man.

Chorus:

Look out for he goblin man
That ragtime goblin man
Look out for the book in his hand
That great big book in his hand.

There he is, there he is, there he is, there
see his eyes, see his eyes, see his eyes glare

Mister bug a boo. if he catches you,
He'll beat you, then he'll eat you,
Run, run just as fast as you can
From that ragtime goblin man.

Hide, hide, or he'll give you a ride
In his ragtime van

Look out, look out,
Just hear him shout
Look out , look out
For the rag, rag, rag, rag, time goblin man
