

A NIGHTINGALE SANG IN BERKELEY SQUARE

When two lovers meet in Mayfair, so the legends tell

Songbirds sing, winter turns to spring

Every winding street in Mayfair falls beneath the spell I know such enchantment can be

'Cause it happened one evening to me

That certain night, the night we met

There was magic abroad in the air

There were angels dining at the Ritz

And a nightingale sang in Berkeley Square

I may be right, I may be wrong

But I'm perfectly willing to swear

That when you turn'd and smiled at me

A nightingale sang in Berkeley Square

The moon that lingered over London town

Poor puzzled moon, he wore a frown

How could he know we two were so in love

The whole darn world seemed upside down

The streets of town were paved with stars

It was such a romantic affair And as we kissed and said goodnight

A nightingale sang in Berkeley Square

How strange it was, the night we met,

There was never a dream to compare

With that hazy, crazy night we met,

When a nightingale sang in Berkeley Square.

This heart of mine, beat loud and fast

Like a merry-go-round in a fair,

For we were dancing cheek to cheek

And a nightingale sang in Berkeley Square

When dawn came stealing up, all gold and blue,
To interrupt our rendezvous,
I still remember how you smiled and said,
"Was that a dream, or was it true?"
Our homeward step was just as light As the tap-dancing feet of Astaire
And like an echo far away A nightingale sang in Berkeley Square
I know, 'cause I was there
That night in Berkeley Square

IN THE MOOD

Mr. Whatchacallim, whatcha doin' tonight?
Hope you're in the mood, because I'm feelin' just right!
How's about a corner with a table for two?
Where the music's mellow and some gay rendezvous!
There's no chance romancin' with a blue attitude!
You've got to do some dancin' to get in the mood!

Sister Whatchacallim that's a timely idea!
Something swing-a-dilla would be good to my ear!
Everybody must agree that dancin' has charms
When you have that certain one you love in your arms!
Steppin' out with you will be a sweet interlude!
Oh build'er up for that would put me in the mood!

In the mood!
That's it! I got it!
In the mood!
Your ear will spot it!
In the mood!
Oh what a hot hit!
Be alive

And get the jive
You've got to learn how!
Hep-hep-hep!
Hep like a hepper!
Pep-pep-pep!
Hot as a pepper!
Step-step-step!
Step like a stepper!
From muggin' to huggin'
We're in the mood now!

Mr. Watchacallim All you needed was fun!
You can see the wonders that this evening has done!
Your feet were so heavy, till they hardly could move!
Now they're light as feathers and you're right in the groove!
You were only hungry for some musical food!
You're positively absolutely in the mood!
Sister watchacallim, I'm indebted to you!
It all goes to show what good a new hit could do!
Never felt so happy and so fully alive!
It seems that jammin' jumpin' is a powerful jive!
Swing-a-roo has given me a new attitude!
My heart is full of rhythm and I'm in the mood!

WE'LL MEET AGAIN

Let's say goodbye with a smile, dear
Just for a while, dear, we must part
Don't let this parting upset you
I'll not forget you, sweetheart

We'll meet again
Don't know where

Don't know when
But I know we'll meet again
Some sunny day
Keep smiling through
Just like you always do
'Till the blue skies chase
Those dark clouds far away

And I will just say hello
To the folks that you know
Tell them you won't be long
They'll be happy to know
That, as I saw you go
You were singing this song

We'll meet again
Don't know where
Don't know when
But I know we'll meet again
Some sunny day

And I will just say hello
To the folks that you know
Tell them you won't be long
They'll be happy to know
That, as I saw you go
You were singing this song
We'll meet again Don't know where
Don't know when
But I know we'll meet again
Some sunny day
