

Dacorum Community Choir at home. Week 9

This Little Light of Mine

This little light of mine,
I'm gonna let it shine.
Everywhere I go,
I'm gonna let it shine.

Little One

Little one, little one,
Close your sleepy eyes,
Don't you realise
That I am here.

Work is done,
You've had time for fun,
Now it's time for rest,
You've done your best,
So drift away.

Can't you see there's a land of flights and fantasy
Dreaming of the one some day you'll be.

Little one, little one,
Close your sleepy eyes,
Don't you realise
That I am here.

Work is done,
You've had time for fun,
Now it's time for rest,
You've done your best,
So drift away.

Can't you see there's a land of flights and fantasy
Dreams can help you find your way back home.

Learnin' the Blues

The tables are empty,
The dance floor's deserted,
You play the same love song,
It's the tenth time you've heard it.

That's the beginning,
Just one of the clues,
You've had your first lesson In learning the blues.

The cigarettes you light,
One after the other,
Won't help you forget him/her
And the way that you love him.

You're only burning
A torch you can't lose,
But you're on the right track
For learning the blues.

When you're at home, alone,
The blues will taunt you constantly;
When you're out in a crowd
The blues will haunt your memory.

The nights that you don't sleep,
The whole night you're crying,
Won't help you forget him,
Soon you'll even stop trying!

You'll walk the floor
And wear out your shoes;
When you feel your heart break
You're learning the blues.
