The Girl from Ipanema

Tall and tan and young and lovely
The girl from Ipanema goes walking
And when she passes, each one she passes
Goes "a-a-a-h"

When she walks, she's like a samba
That swings so cool and sways so gentle
That when she passes, each one she passes
Goes "a-a-a-h"

Oh, but I watch her so sadly
How can I tell her I love her
Yes, I would give my heart gladly
But each day as she walks to the sea
She looks straight ahead, not at me

Tall and tan and young and lovely
The girl from Ipanema goes walking
And when she passes, I smile,
but she doesn't see.
She just doesn't see.
No, she just doesn't see

Top of the World

Such a feelin's comin' over me
There is wonder in 'most every thing I see
Not a cloud in the sky, got the sun in my eyes
And I won't be surprised if it's a dream

Everything I want the world to be
Is now comin' true especially for me
And the reason is clear, it's because you are here
You're the nearest thing to heaven that I've seen

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been
around
Your love's put me at the top of the world

Somethin' in the wind has learned my name
And it's tellin' me that things are not the same
In the leaves on the trees and the touch of the breeze
There's a pleasin' sense of happiness for me

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need will be mine if you are here

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been
around
Your love's put me at the top of the world

One Note Samba

In Brazil, they have a samba
With a simple melody
Just a single note is sounded
And repeated constantly

Well my love is like that samba
With that simple melody
Just a single, steady feeling
That's repeated constantly

That's the way my love is like
The sun that shines above
Is ever burning, a burning fire
I will leave you never
For I know that you'll forever be
Returning my great desire

So my single note's a symbol
Of the love I have for you
And my single note's repeated
For my love is constant, too

Yes, if ever I should leave you
I would cry a while and then
I'd return to you, my true love
And my single note again
